✉ hello@hanki.dev

🖱 hanki.dev

Motivated junior-level developer who enjoys creating mobile apps with Flutter. Currently studying programming at Oulu Vocational College.

Professional Experience

Intersport <i>E-commerce Assistant</i>	2020/06 – 2020/08 Oulu, Finland
Finnish Defence Forces (Conscription) <i>Virtual Battlespace Developer</i>	2019/07 – 2020/03 Rovaniemi, Finland
Sunkoru Oy <i>Internship / Customer Service</i>	2019/01 – 2019/02 Kempele, Finland
Levi's <i>Internship / Customer Service</i>	2018/11 – 2018/12 Barcelona, Spain
Tokmanni Oy <i>Internship / Customer Service</i>	2017/08 – 2017/10 Oulu, Finland

Project Highlights

Irti nuuskasta!

Free Android app made with Flutter. Similiar to all those 'quit smoking' apps, but made for snus which is way more common in Finland.

Zoomable Tilt View

Open source package for Flutter, which you can find at pub.dev. Creates 3D tilt effect for widgets, controlled by swiping.

Fuel Consumption Tracker

Minimalistic app to track your car's fuel consumption.

Education

Oulu Vocational College <i>Programming</i>	2020 – present Oulu, Finland
OSAO Kaukovainio <i>International Business and Administration</i>	2016 – 2019 Oulu, Finland
